ABOUT THE EVENT

Of all the events the Houston West Chamber of Commerce hosts, the Salute to Veterans luncheon is the most heartfelt among our members and gives our business community an opportunity to recognize women and men who serve or have served in our military.

The Chamber makes special efforts to honor the women and men of our Armed Forces because they fight for our freedoms:

- The freedom to be an entrepreneur
- The freedom to own a company
- The freedom to contribute to our economy &
- The freedom to give back to our community and our nation.

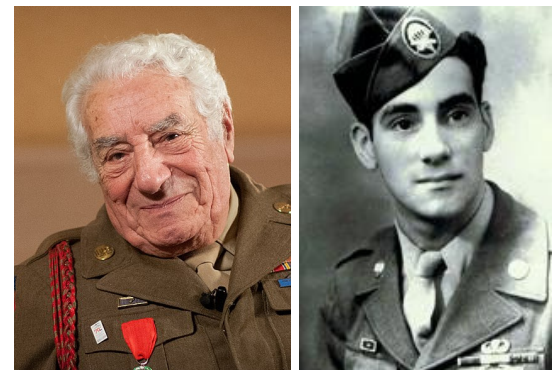

By their service, they have allowed us, the business owners and employees, to keep our economy and country running and viable in their absence.

We wish to honor our Soldiers, Sailors, Marines, Airmen, National Guard, Coast Guard, Space Force and anyone who defends our rights to keep our country free and safe. We believe that it is both our responsibility and privilege as AMERICANS to honor, respect, and support our troops!

Vincent Speranza grew up on Staten Island, part of a large and colorful Italian family. Following Basic Training, he became a paratrooper and joined the 101st Airborne Division just prior to the Battle of the Bulge, where the unit became famous for its defense of Bastogne.
